## 5 DAYS Easy & Active

This tour is created as a combination of natural landscapes and fun activities to enjoy the best southern Montenegro has to offer. We selected the most special jewels of the Montenegrin coast and combined them into a short but unforgettable 5-day tour.

We will visit UNESCO protected Kotor Old town, the maritime city of Perast, admire Boka bay from a speed boat tour, enjoy swimming inside the famous Blue Cave, visit Lovéen National Park, the old town of Budva and end the tour with a visit to the largest open-air archaeological amphitheater in Montenegro - Old town Bar. Lots of natural beauty, medieval architecture, cultural heritage and tradition.

#### DAY 1 - HERCEG NOVI

Arrival to Herceg Novi. Many famous writers found inspiration in Herceg Novi and its beauty. We will discover the main cultural and historical monuments of Herceg Novi Old town and have a short visit to Savina Monastery. After visiting monastery we head on a private boat tour during which we will pass by Mamula Island and Cape Arza. The boat ride continues further down the coast to Ziatna Luka, a pearl among our bays. Here, we will make a break on a sandy beach with fine sand on the seabed and turquoise water. Check in at the hotel and free evening.

#### DAY 2 - KOTOR

On our way to Kotor, we will visit Perast and its stunning island Lady of the Rocks. We will explore the town first and climb on top of the clock tower before we take a boat to the island.

On arrival to Kotor, we head on a 2-hour city tour of Kotor Old town with a short hike to San Giovanni fortress. From above, we can see the whole bay of Kotor. During the walking tour we will explore the old town with visits to its most important sightseeing points, each of which has its own story. Lunch is served in one of the local restaurants.

#### DAY 4 - OLD TOWN BAR

We gather at agreed time for a drive to Bar the sunniest town in Montenegro. On the way
to Bar we will make a stop at famous Sveti
Stefan peninsula. Afterwards, we are going to
explore Old town Bar, an outstanding historic
and archaeological site situated 4 km from
the center. Old town Bar used to be full of
