DISCOVER DURMITOR WITH YOUR FAMILY

The Durmitor family package is created for families who are looking for active holidays in the mountains of Montenegro. We combined active vacation, child friendly outdoor activities, and the best locations of Durmitor National Park.

These 5 days will be filled with beautiful natural landscapes of the Durmitor National Park which is under UNESCO protection and a paradise for nature lovers, exciting activities such as hiking, rafting and biking tours.

Best of all, the program set up to be both fun and exciting but at the same time allow your children to participate safely. The tour is fully guided and you will have assistance during the tours but also privacy and free time to explore on your own.

DAY 1 - ARRIVAL TO ŽABLJAK

Meeting in Podgorica at desired time and location (recommended in the morning). Your guide meets you for transfer to Žabljak. At Žabljak, we start with a guided walking tour around the main attraction of Durmitor National Park - the Black Lake. This will be an easy educational walk with lots of information about the national park, as also viewpoints to take photos. The hike lasts around 2 hours. We'll take you for lunch at one of the local restaurants. Check in at the accommodation. Free evening time.

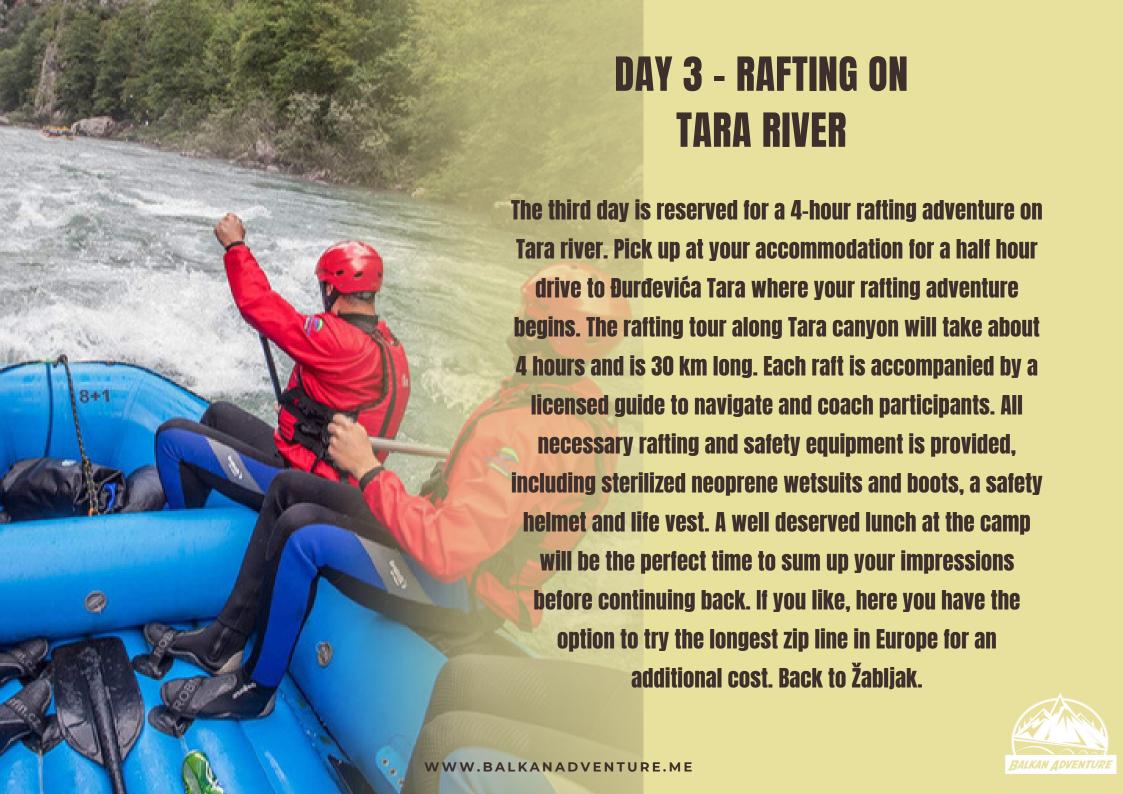

DAY 2 - E-BIKING TOUR DURMITOR LOOKOUTS

After breakfast, it's time for an exciting biking tour to the best lookouts. This will be a 3-4 hour e-bike tour suitable for all levels. The tour includes a visit to **Curevac, a popular lookout point on the** edge of Tara river canyon. After we rest on the mountain benches, we continue to mountain Štuoc and take a brake at **Zminje Lake, before we continue to Black Lake and back to the meeting** point.

*This tour can be replaced with a horse riding tour if desired.

DAY 4 - HIKING TO CRVENA GREDA 2164M

Today we will hike to one of the most popular peaks in Durmitor National Park - Crvena Greda (2164m). This tour is considered as a light hike and ends up with spectacular views from the plateau at the top. From there, we will see Žabljak, Vražje Lake, Black Lake and many peaks of the **Durmitor massif. During our** descent, we will visit picturesque Jablan lake. This hike can also be replaced with a lighter one from **Black Lake to Jabian Lake.**
