# MONTENEGRO ADRENALINE-PACKED TOUR

This adrenaline-packed tour is created for all those who search for a multi-day active holiday program which combines various adrenaline activities. This tour is suitable for everyone who is keen on nature, mountains and adrenaline, is in good physical shape and is not afraid of hights and narrow passages.

During this 7 days active holiday package in Montenegro, we will combine hiking, biking on Bjelasica mountain, rafting in the world's second deepest canyon (Tara river), via ferrata in Durmitor National Park, Nevidio canyoning and an ATV tour! What's best, our adventure-packed tours don't require previous experience in any of the mentioned activities.

### DAY 1 - PANORAMIC BIKING TOUR

Meeting in Podgorica and transfer to Kolašin. We head on a biking tour through Lipovo, one of the most beautiful villages of Montenegro. The tour starts from the center of Kolašin and leads to the village of Drijenak, then continues via Blatina to Donji Lipovo. We continue to Gornji Lipovo, with breaks at a couple of localities. In Gornji Lipovo, you will enjoy cheese tasting at Mishkova's cheese farm, after which we will return to Kolašin. The tour is driven on asphalt, through beautiful alpine landscapes. You will have a guide and a companion on an ATV vehicle, with a trailer and spare bikes, all the way. Lunch at the end of tour and free evening time.

## DAY 4 - DURMITOR VIA FERRATA

Breakfast and short drive to Uvita **Greda in Durmitor National Park.** Here, we are starting our 4-hour via a unique climbing ferrata, adventure experience that allows people with no climbing experience to reach the mountain top overlooking some amazing parts of the Durmitor massif. After the ferrata we will make a brake at Sedlo and go back to žabljak for lunch and free evening time.

# DAY 5 - NEVIDIO CANYONING

We will take you to Nevidio - the most exciting and adventurous canyon in Montenegro! Canyon Nevidio is located 25km from Žabljak and is 1,700m long, in some places over 450m deep and is hence called 'Nevidio' or 'unseen' due to its inconspicuous location. Using only the best safety equipment, our guides ensure that your passage through Nevidio is both enjoyable and safe. The tour lasts about 5 hours with included lunch.
